

# MASTER OF TECHNOLOGY IN PROJECT MANAGEMENT

## PROGRAM OVERVIEW

---

To excel in project management today you need business and people skills as well as project management knowledge. Chifley's Master of Technology in Project Management provides a comprehensive, business-ready foundation that will equip technical professionals from any background with the expertise they need to develop a career in any area of industry, government or the not-for-profit sector.

You will graduate with a strong understanding of the background, principles and applications of project management, as well as the theoretical foundation necessary to enter and achieve promotion in what is one of the fastest growing professions worldwide.

### **Certification**

Chifley Business School is endorsed by the Australian Institute of Project Management (AIPM) and is acknowledged as an approved provider by the Project Management Institute [R.E.P. Provider No. 2032].

AIPM members can earn 18 continuous professional development (CPD) points and PMI members can earn 120 professional development units (PDUs) for each of the following units that they complete:

- > Unit 303: Project Management
- > Unit 501: Advanced Project Management

CHIFLEY BUSINESS SCHOOL

# ADMISSION DETAILS

---

## Entry Requirements

- > A four-year tertiary qualification or three-year undergraduate degree with honours\*
  - > English language competency
  - > Non-native English speakers must achieve a TOEFL score of 577 (or a score of 233 in the computer based TOEFL) or IELTS score of 6.5
  - > Recommended: two years full-time working experience
- \* Students who have completed a three-year undergraduate degree will be required to have completed a minimum of three years (equivalent full time) professional experience and to submit a 4,500 word essay on the relationship between their practical work experience and previous or current study. Entry is offered based on the assessment of this essay. Students would then be required to complete 12 units.

## Special Entry

You might be eligible for admission even if you do not meet these requirements.

Download our special entry policy at [www.mba-distance-learning.com/downloads.asp](http://www.mba-distance-learning.com/downloads.asp)

## Study Expectations

You need the internet and email access to undertake your studies at Chifley. You will be assessed through a combination of assignments, exams and online participation. Assessment differs for each unit and while a schedule is provided, the time required to complete tasks and achieve the unit aims will depend on your particular knowledge, experience and commitment.

## Credit

Credit is available for previous relevant postgraduate study that you have completed within the last 10 years. To graduate from any Chifley Business School postgraduate program, you must complete at least 50% of the course you are enrolled in.

Each case is reviewed individually and more information on applying for credit is available at [www.mba-distance-learning.com/credit.asp](http://www.mba-distance-learning.com/credit.asp)

## Study Periods

There are two student intakes each year, and each study period lasts 18 weeks plus exams. An additional summer study period allows existing students to fast track their studies.

# ASSESSMENTS

---

At Chifley, assessment is a mix of assignments and exams, designed to help you apply what you have learnt. Assignment questions and weightings can be found in your Study Guide, and useful guidelines on assignment preparation are included in 'My Resource Centre' on e-Communities.

All units except Unit 302 include an exam. Sample exams can also be found in your Study Guide, and assistance with exam preparation is included in 'My Resource Centre'. Examination venues are located throughout the world—students who live more than 150km from an established venue should contact Chifley Client Care on 1300 853 377 to arrange a location and supervision.

# FEES

---

At Chifley, there are no up-front fees—you only pay for each unit as you study when you enrol.

Fees	Australian / New Zealand students (AU\$)	International students (AU\$)
Per unit	\$1,450	\$1,600
Unit 302	\$365	\$365

BY INDUSTRY. FOR INDUSTRY.
